

## **Kid's Club Report April 2018**

Kids Club has been up to some great things during January, February and March. We have explored the Golden Rule, the Holy Trinity, filling each others bucket with positivity and stories of Moses have formed our curriculum. We introduced Mission and Service and are working towards collecting enough money through doing special jobs at home to help others make a better life for themselves. We also wrote a poem about the wonder and amazement in the world which we will be presenting at an upcoming service. (see attached)

Here is a list of upcoming events at Kids Club:

April 7<sup>th</sup> - The Leaders and their children were all away as were some other families. Rev Meggin agreed to keep the children upstairs in church for this Sunday.

April 14<sup>th</sup> - David Lyon will be joining Kids Club to make Hot Cross Muffins.

May 5<sup>th</sup> – Planting Flowers for Mothers Day.

May 12<sup>th</sup> – Mother's Day Presentation

Last year we did a slide show of photos of our congregation with our mother, as a mother or with a woman of influence in our lives. We would like to add to that slide show this year.

May 26<sup>th</sup> – Lilac Festival Service Presentation

June 9<sup>th</sup> – Affirming Service in the Park including a picnic and last Day of Kids Club until September. The kids will be participating in the service with a presentation.

September 15<sup>th</sup> – Kids Club Resumes!

Respectfully Submitted,

Johanna, Micaela, Jessica & Kat

## **Wonder and Glory**

When I feel wonder and glory,  
I remember my life's magical stories.  
I saw a whale  
Waving its tail.  
I remember the rush of the roller coaster hill,  
And a peacock in its glory, standing still.  
Look: a bunny, a llama, a swimming eel.  
All the animals, amazing and real.  
The prints in the snow,  
The northern lights' glow.  
A newborn calf all ready to go.  
A real live hippo,  
The rides at the fair...  
Wonder and glory is everywhere.
