

Music Director's Report for April 2019

We will hold three fundraising dances May 18, July 20, August 24. They will be held at the Town Hall. Ruth Widdowson has done a fantastic job printing posters, advertising cards and tickets.

There are a few hitches with insurance and liquor licencing that we are working on.

We will provide special music May 26 for Lilac Sunday and June 9 for Pride Sunday.

We continue to bring new music to the Sunday morning services and, happily, have a few new members in the choir.

We will be speaking to Session about our plan to hold a concert sometime in September. The focus would be an event to showcase the music at St. Paul's and to pay our musicians. Not as a fundraiser...unless we raise a mad amount of money, that is.

Steve and I have been approved for a few Sundays off through the summer; June 2, June 16, June 30, September 1.
