

MINISTRY & PERSONNEL COMMITTEE REPORT

for April 14, 2019 Board meeting

Meeting with our Minister

As planned this last quarter, the full committee now including Aaron Eddie, was able to meet with Rev. Meggin to review the first half of her first year with St. Paul's. With the view of appraising ourselves of the joys and challenges of her time with us to date and the ways in which the church can further support her endeavours. And for Meggin to get to know all four members of the committee, enabling her to reach out to any one of us, at any point in time.

Meggin had very thoughtfully prepared a document expressing her thoughts and feelings, following a model provided by the United Church's Ministry & Personnel manual.

Meeting with our Music Directors

The full committee is planning the same type of meeting with Kathy & Stephen Rapos for April, as they have also reached the 1st half of their first year with St. Paul's.

Meeting with our Administrative Assistant

The full committee will be conducting a meeting with the same goals with Karen Bates at her half year point, in June.

St. Paul's Regional M & P meeting

Rev. Meggin along with David Timpson, Conference Personnel minister are organizing a meeting of regional Ministry & Personnel committee members to review guidelines & best practises the morning of May 11 in the Gathering Place.
